We bring the fun to you!

Adventures In Climbing, LLC

*A novelty entertainment company providing
amusements, interactive inflatable's and games.*

Bungy Trampoline

Footprint (L x W x H): 30' x 30' x 21'

Recommended Ages: Suitable for all ages, 30-200 lbs

Participants per hour: approx. 70

Electrical requirements: within 100' of a 20amp designated circuit

Trampoline: inflatable

Weight: 800 lbs

Enjoy the feeling of flight with the amazing hydraulic powered Eurobungee! Up to four participants at a time get strapped into harnesses then jump up and down on the trampolines. Hydraulic motors attached to the bungy cords enable the participants to jump high and do flips. Eurobungee is popular with children, teens and adults alike!
