Rock N Joust

Footprint (L x W x H): 21' 4" x 24' 0" x 8' 10"

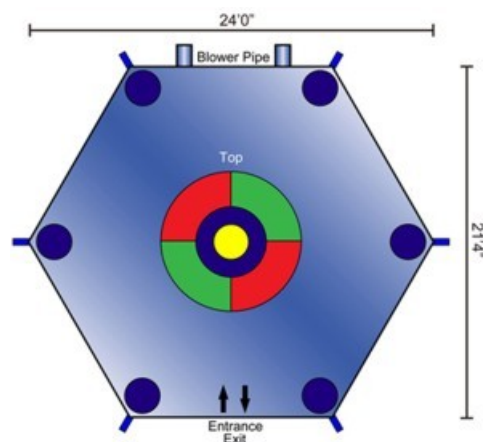

Recommended ages: 7 to adult

Participants per hour: approx. 50

Electrical requirements: within 100' of a 20amp
designated circuit

Weight: 260lbs.

Players enter the octagon and climb onto the raised pedestal for a jousting match. There is just enough room on top of the pedestal so that players will have to both rock and roll to maintain their balance. A contestant wins when he or she have defeated the opponent and claims the pedestal.
